

# ACTIVITY 12 Stages of Relationship Development Worksheet

Working as a group, fill in the chart. Start by writing the five stages of a relationship across the top row of the worksheet, in the order your group decided they would progress. Then answer the questions for each row for all five stages of a relationship

STAGE NAMES ▼					
What are other names for this stage?					
What are the settings in which this stage takes place?					
What are the rules and expectations of this stage?					
What are the risks and benefits at this stage?					
What does the exit look like if you leave the relationship at this stage?					
What are the bridges (actions and words) from this stage to the next?
